

TMC Industries Inc.
TMC Industries e-Line Card

TMC DISTRIBUTES LUBRICANTS FROM DUPONT, HALOCARBON CORP...

DuPont Krytox Performance Lubricants:

The miracles of science™

- **Krytox** cleaning solvent
- **Krytox** vacuum pump oils
- **Krytox** Aerospace series oils and grease
- **Krytox LVP** greases (low vapor pressure)
- **Krytox XHT** series greases (extreme high temperature)
- **Krytox FG** series oils and greases (food grade lubricants)
- **Krytox GPL** (general purpose lubricants) series oils and grease

DuPont Vertrel Specialty Fluids:

- Vertrel XF, MCA, SMT, [SDG](#), [SFR](#)

Featuring the new DuPont Vertrel SDG Super Degreaser and SFR Solder Flux Remover

TMC Diffusion Pump Oils:

- TMC 704 Replaces DC 704
- TMC 705 Replaces DC 705

Precision Cleaning Solvents

- Asahiklin AK-225 (*ALL BLENDS*)
- [Vertrel SDG](#)
- [Vertrel SFR](#)

High Quality Hydrocarbon Oils:

- Technical White Oils
- TMC-EZ135 (P.A.O.) Synthetic Oils
- TMC 19 distilled Paraffinic Oils

3M Fluids:

- Special Blends
- Reclaimed Fluorinert™ Fluid
- Reclaimed Novec™ Fluid

TMC INDUSTRIES RECLAMATION SERVICE:

➔ **Save up to 70% with TMC reclamation service (since 1982):**

- Save 30-70% compared to the cost of new
- Qualified staff of chemical engineers led by PhD chemist
- Pre-distillation and post-distillation analysis of reclaimed fluid
- Distillation equipment (centrifugal molecular still and/or refractive glass still)

➔ **TMC will reclaim most fluorinated oils, solvents and specialty chemicals**

- **Vacuum pump oils:** [Krytox](#), Fomblin, [Halovac](#), PFPE, CTFE, Santovac
- **Diffusion Pump Oils:** [704](#), [705](#) and all private label versions of 704 & 705 oils.
- **Fluorinated solvents & specialty chemicals:** DuPont Vertrel, Asahi AK225, 3-M Fluorinert Electronic Liquids and Novec Engineered Fluids Galden Calibration and Heat Transfer fluids

➔ **TMC PURCHASES, RE-CERTIFIES & RE-MARKETS USED FLUIDS!**
